

Deadly Draculas Patrol

October 11-13, 2019

Play by Day, Fright By Night

Welcome to Camp La-No-Che!

Camping

Your campsite will be assigned to you at check-in. To the best of our ability, Cub Scout Packs will be kept together in the same campsite. You will also be sharing this campsite with at least one other unit so please keep this in mind when setting up camp. "A Scout is Courteous" - please leave room for others and do not pitch your tent(s) in pathways that lead to the restrooms or activity shelters. You may also set up your tent anywhere immediately outside of your assigned campsite area **except** in the roads or other pathways.

Parking

Parking is NOT allowed in the campsite area by order of the Lake County Fire Marshall due to access needed during emergencies. Please park your car in your assigned parking area. Assigned areas are: main parking area; the Sports Field across from campsites 4 & 5; and the sports field by Adventure Camp. The speed limit in camp is 10 m.p.h. **Please Note:** The roads to/from all campsites are now ONE WAY. Please follow the posted signs. Thank you!

Camp Food Service

If you have purchased camp food service, please come at the assigned time. If you have any questions please ask.

Guest Service

Campmasters are located at the camp office to assist with your visit. If you have any questions, campsite problems or other needs, please look for a Campmaster for assistance. Also, our Camp Rangers are always available to fix maintenance issues in your campsite or latrine. We are here to make sure you have a great outdoor experience.

Camp Safety

For the safety of our guests here at Camp La-No-Che, we employ the use of two different emergency alert systems. (Lightening Alert Red and Camp Wide Emergencies). This plan has been developed for the use of Scouts, Scout Leaders, and Staff while camping and/or participating in activities at Camp La-No-Che.

Weather Alerts

Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware.

Camp La-No-Che is equipped with a lightning detection system called Thor Guard for the Dr. Phillips Park Area. The system senses lightning within a pre-determined safety zone then sounds an alert. Campsites, Adventure Camp, Camp Rybolt are not covered by Thor Guard so please use the weather hazard guidelines for lightning while in those areas.

Camp Wide Emergency

If there is a camp wide emergency, a wailing (air raid) siren will sound. If you hear this siren, please immediately proceed to the Seneff Flag Pole outside of the W.T. Bland Dining Hall and await further instructions from the Camp Staff.

Trash

All trash is your responsibility. The Boy Scouts of America live by our Leave No Trace policy. We teach all Scouts to respect the outdoors and take care of our precious lands. Please keep in mind, trash (even trash in bags) will attract wildlife. In the evening and when you leave to depart camp, please take your trash to the dumpsters at the exit of campsites 1-16 (behind Trading Post) and 17-25 (behind the camp offices) Thank you!

Camp Wildlife Safety

Please respect our wildlife and enjoy watching from a distance. If you have problems with wildlife, please report to a Camp Staff Member.

Fishing

Fishing is only allowed at the Cheney Waterfront next to Campsite 20. We do not allow fishing at the Phillip Starr Waterfront due to the dangers of hooks where Scouts get in the lake. Scouts under the age of 18 must be accompanied by an adult.

Rules

Rules are for the safety of the scouts, siblings, parents and leaders. Please follow the rules and if you see a problem, please report the incident to a Ranger, the Campmaster or the Program Director. If you cannot locate any of these members of camp staff, please report the problem at the Camp Office.

Safety Rules

1. All vehicles must be parked in the area assigned to you at Check-in. IF you have a state issued Handicap Parking permit, you may park at the campsite and display the permit. A pack trailer may be parked in the campsite (at least 10 feet away from any permanent structure) ONLY if it does not interfere with others in the site and it is NOT hitched to a vehicle. Trailer hitches must be properly flagged while in the campsite.
2. ALL campfires must be in the dedicated fire rings of each campsite and must be attended at all times while burning. Please coordinate with other units in your campsite to ensure that fires are not left unattended.
3. No flammable liquids are permitted in camp.
4. NO OPEN FLAMES IN TENTS.
5. Cooking stoves must be no less than 20 feet from buildings and tents and under adult supervision at all times while operating. Please dispose all food and cooking grease in a garbage bag and take to the dumpsters. ***Do not dispose of this in the outer areas of your campsite as there are BEARS and they can be a problem if you do not control your garbage.*** Stored food in lockable containers in a secure location to help reduce wild animal visitations. A secure location is NOT your tent!
6. Insect repellent is strongly recommended. If using aerosol repellent avoid spraying while inside of tents.
7. All bicycle riders must wear a helmet at all times while riding.
8. Closed toed shoes must be worn at all times. Flip-flops or sandals are permitted only at the pool & while traveling to the bathrooms from the campsite.
9. Extension cords are permitted inside the activity shelter only. Please do not run extension cords from the activity shelter into the campsite as this is a tripping hazard.
10. Camouflage clothing is highly discouraged at Camp La-No-Che.
11. During your stay please limit the use of your vehicle to ensure the safety of pedestrian and emergency traffic.
12. No passengers may ride in the rear of pickup trucks or on tailgates of SUV's.
13. Smoking (including vaping) is permitted ONLY in the designated smoking area located in the fenced off area behind the Trading Post. Smoking and vaping is NOT permitted anywhere else in camp.
14. ***Alcohol, illegal drugs & controlled substances, fireworks and personal firearms are strictly prohibited. Any camper found in violation of this rule may be met with confiscation, legal action and/or restrictions on future attendance at camp events.*** Campmaster staff will be on the lookout for these items in campsites so please do not bring these items to camp. Remember, if you see something, say something. Thank you!

A Scout is Reverent

Health Officer:

Camp La-No-Che has a health officer who is stationed in our Florida Hospital Health Lodge located just North of the W.T. Bland Dining Hall. If you or your child is in need of medical attention please come see our Health Officer. All children under the age of 18 must be accompanied by an adult.

Should you have an urgent matter than needs medical attention during the overnight hours, please come to the Health Lodge. If you feel you need to call 911, don't hesitate to do so! If you do call 911, please send someone to the Health Lodge to report the incident.

Lost Child/Parent/Leader:

It is not uncommon for someone to wander off and lose sight of their buddy. Should this happen, please report the lost person to either the Trading Post, the Health Officer or the Program Director. Once reported, PLEASE STAY PUT! Often times camp staff can find the lost person very quickly and if you go looking too, then we can't reunite you! In addition, we ask that you please write your child's name and campsite number on their wristband.
