

DIGITAL TECHNOLOGY merit badge

1. Read the Digital Technology merit badge book and workbook https://meritbadge.org/wiki/images/d/d2/Digital_Technology.pdf . Start filling out the workbook with notes for the discussions to make them faster and more productive.
2. Participants MUST have a completed Cyber Chip. You must either bring your Cyber Chip card or the completed paperwork to the merit badge to show that you have completed this. Details for the CyberChip can be found at <http://www.scouting.org/cyberchip.aspx>.
3. Bring digital copies of between 3-5 photos from a scouting event. At least one of these pictures must have been taken by the scout. These can be on a USB drive or on your Google drive. You will just need to be able to access them for some projects that you will complete during the merit badge session.
4. Complete the following in your merit badge workbook: 3c, 3d, 4b, 5b and 9. If you do not arrive with these items complete, you will be leaving with a partial completion so please make sure these are complete.
