

IMPORTANT NOVA AWARD INFORMATION FOR VENTURERS AND SCOUTS BSA SCOUTS

If you are planning to COMPLETE your NOVA award at Pi Day, you will need to complete requirement 1 as a prerequisite. You will also need to pair it with an appropriate Merit Badge Class. The following list shows which Merit Badges/Explorations pair with which NOVA Award Seminars:

Power Up/Start Your Engines:

Space Exploration

Launch/Shoot:

Space Exploration

Robotics

Weather

Numbers Don't Lie/Designed to Crunch:

Weather

Digital Technology

Radio

If you have already earned one of the Merit Badges relevant to your chosen NOVA, and have not already used it to complete a NOVA Award, you may use that badge to fulfill this requirement. (bring documentation of your completion of the badge to Pi Day for your instructor).
